Get Your Pastor Involved

3X3 Apprenticeship Program

Our 3X3 Apprenticeship program targets three elements:

Multiplication

Spreading of the Gospel through pastoral ministry.

Skills

Equipping students to preach with authority and overcome crises and conflicts.

Character

Developing a Christ-like character with a love that attracts people to the Gospel.

Following a short vetting process, THS. will equip your pastor to perform the role of Supervisor and designate your local church as the official Placement Church in your apprenticeship.
